Dear Colleague

CHARGES TO HEALTH BOARDS FOR UKCC
SERVICES

Summary

1. The rates charged by the UKCC for services provided in relation to nurses, midwives and health visitors were last notified to Health Boards in SHHD/DGM(1991)27 dated 19 April 1991 and were effective from 1 April 1991. The UKCC have requested that these charges will cover all the services provided by the UKCC.

Action

2. Details of the revised rates are set out in the Annex to this letter.
3. In light of the increasing prominence of DMUs and NHS Trusts, consideration is being given by Health Departments as to the future billing arrangements from 1993-94 onwards. A further communication on this will be issued by the Management Executive in due course.
4. This letter should be copied to Unit General Managers for information.

Yours sincerely

A J MATHESON
