**MEMBERSHIP OF THE NATIONAL PANEL OF SPECIALISTS (1995)**

**General**

1. The National Panel of Specialists is constituted under regulation 6 of the National Health Service (Appointment of Consultants) (Scotland) Regulations 1993. The National Panel provides members for Consultant Advisory Appointments Committees, also constituted under the 1993 Regulations. The enclosed membership list supersedes that enclosed with NHS MEL(1994)42.

2. The Panel has been structured to ensure that approximately one-quarter of the members retire each year; retiring members may, however, be re-appointed, subject to any conditions which the Secretary of State may impose. After retirement from a consultant post, a member of the Panel may complete his or her term of office unless he or she first attains the age of 70 years, at which time membership must cease.

**Changes to the Panel**

3. To assist in maintaining an up-to-date list of members, Health Boards and NHS Trusts are asked to inform the Management Executive when any Panel members leaves NHS employment for any reason.

**Secretary to the Panel**

4. The Secretary to the National Panel of Specialists is Dr D J Ewing, SOHHD, Room 110, St Andrew's House, Edinburgh EH1 3DG (Tel: 0131-244 2275) to whom any enquiries of a professional nature should be referred.
