Dear Colleague

ECR TARIFF REVISIONS

Summary

- Approved revised tariffs are enclosed for:
 - Edinburgh Sick Children's NHS Trust. The tariff has been updated to include in-patient and day cases in Orthopaedic Surgery. These are new procedures that have only been introduced this year and will be effective from 1 August 1995.
 - Kirkcaldy Acute Hospitals NHS Trust. The tariff has been updated to include procedure codes for ECR activity which were not included in their original entry. These prices are effective from 1 April 1995.
 - The Royal Alexandra Hospital NHS Trust. The tariff has been updated to include complete ECR price list. The original entry only showed average specialty prices and omitted the Schedule of Healthcare Fees in respect of ECR procedures categorised by ICD9 codes. These prices are effective from 1 April 1995.

Action

- Purchasers and providers should update the 1995-96 tariff booklet to reflect these amendments.
- Please ensure that all holders of tariff booklets receive copies of the amendment.

Yours sincerely

DR K WOODS
Director of Purchasing
