AMENDMENT (NO.2) REGULATIONS 1997**

Summary

1. This letter advises Health Boards of deletions from and additions to the list of drugs in Schedule 10 to the NHS (General Medical Services) (Scotland) Regulations 1995 which lists the drugs and other substances not to be supplied by general medical practitioners or prescribed for supply under pharmaceutical services. It also advises Health Boards of one addition to Schedule 11 of the aforementioned Regulations.

2. The changes are set out in the NHS (General Medical Services) (Scotland) Amendment (No.2) Regulations 1997. The provisions come into force on 1 July 1997. Full details are listed in the Appendix to the attached Memorandum. A list of products which have been amended to reflect changes of name is also attached.

It should be noted that the additions to the list of drugs not prescribable under the NHS includes some small pack sizes which are intended for over the counter purchase without a GP's prescription.

A small supply of the SI will be sent to Health Boards and Trusts under separate cover.

Action

3. Health Boards are asked to distribute a copy of the Memorandum to this letter to all general medical practitioners and chemist contractors as soon as possible. Bulk supplies of the Memorandum are being sent under separate cover.
