

Dear Colleague

**PARTNERSHIP AGREEMENT BETWEEN
NHSSCOTLAND COUNTER FRAUD SERVICES AND NHS
BOARDS AND SPECIAL HEALTH BOARDS**

1. This letter announces an updated Partnership Agreement between NHSScotland Counter Fraud Services ("CFS") and NHS Boards and special Health Boards.

Background

2. HDL (2009) 18 announced the establishment of an updated Partnership Agreement between CFS and NHS Boards and special Health Boards. This expired on 31st March 2012. The new and updated Partnership Agreement can be found at:

<http://www.sehd.scot.nhs.uk/details.asp?PublicationID=4696>.

3. The current version of the Partnership Agreement is a much slimmer document than the original version since it makes reference to/links into a number of other more detailed documents on specific activities e.g. the Memorandum of Understanding between CFS and Board Human Resource Divisions, which sets out their respective roles in counter fraud activities.

4. The Partnership Agreement is mentioned in the section on "fraud" in the Scottish Public Finance Manual. This specifies that NHS Boards and special Health Boards should act in accordance with the Scottish Government's NHS counter fraud policy and the Partnership Agreement.
