

**TO THE SCOTTISH PARLIAMENT.**

**Retention of the Scottish NHS community pharmacy service.**

**We the undersigned, declare that the recommendations of the Office of Fair Trading to abolish the Control of Entry regulations contained in NHS (Pharmaceutical Services) (Scotland) Regulations 1995, regulation 5 (10), fails to recognise the vital NHS services provided by the current network of pharmacies in Scotland, and if implemented would have a negative effect on community pharmacy and patient care in Scotland.**

**We value the services of our local NHS pharmacy and oppose any action which would jeopardise its stability.**

**The petitioners therefore request that the Scottish Parliament call upon the Scottish Executive to retain the existing regulations and disregard the recommendations of the OFT.**

**Principal petitioner**
