Dear Mr.Fraser,

We have been collecting signatures for a petition  
'Retaining the Scottish NHS Community Pharmacy Network'  
and we have the support of 720 people. This many people (from a sparsely populated area of the  
Highlands) want the OFT's recommendation to be rejected - I believe this shows the strength of  
feeling in our area on this issue. The petition will be handed in on our behalf by our local MSP,  
Jamie Stone, who is giving us his full support. I hope that you will consider this in the consultation  
process.

Yours,  
Caroline Mitchell
