ISD Library holds an excellent collection of NHS Scotland circulars, dating from 1948. We also maintain the Scottish Government Health and Social Care Directorates' publications database on SHOW, and publish new circulars on SHOW.

This index covers the following series of management circulars-

DGM (Dear General Manager) 1987 – 1992
GEN (General) 1974 - 1995
HSR (Health Service Reorganisation) 1972 - 1974
SHHD (Scottish Home and Health Department) 1962 - 1963
SHM (Scottish Hospital Memorandums) 1955 - 1974
SRB (Scottish Regional Boards) 1949 - 1954
RHB(S) (Regional Hospital Boards, Scotland) 1948-51
These series were continued by MELs (Management Executive Letters) from 1992. MELs were continued by the HDL series (Health Department Letters) in August 2000. The HDL series was continued by the CEL series (Chief Executive Letters) in June 2007. Each MEL, HDL and CEL is indexed separately in the SGHSC publications database, and therefore not contained in this list.

* we have marked in red those letters which do not appear in our print archive. If you have a copy of any of these, please send or e-mail a copy to us.
