

Dear Colleague

CHRISTMAS AND NEW YEAR AT WEEKEND – 2021-22

1. This guidance is being issued in order to ensure that all staff are treated fairly and consistently in accordance with NHS Scotland's Staff Governance Standard for Christmas and New Year holidays that fall during the weekend.
2. When Public Holidays for Christmas and New Year fall at weekends, then alternate days will be designated as if they were paid Public Holidays, and the appropriate payments and TOIL will be applied in accordance with Agenda for Change terms and conditions. For Christmas and New Year 2021/2022, all public holiday dates fall at the weekend. Therefore, alternative public holiday dates have been set as 27 and 28 December and 3 and 4 January.
3. Staff will not, however, receive additional payments for both the alternate days and the days that would otherwise have been Public Holidays. A maximum of two Public Holidays can be paid during each of the Christmas and New Year holiday weekends. Paragraph 6 provides details of payments due.
4. Please note that references in this guidance apply to any member of staff who is required to work on these dates and also to staff who are on-call, and undertakes any work arising from being on call, during these dates.
5. The public holidays for the 2021/2022 Christmas and New Year period are confirmed as:
 - **Monday 27 December 2021 (alternate day for 25 December)**
 - **Tuesday 28 December 2021 (alternate day for 26 December)**
 - **Monday 3 January 2022 (alternate day for 1 January)**
 - **Tuesday 4 January 2022 (alternate day for 2 January)**
